

CURSO: 2ºB/C de E.S.O.(BILINGÜES)

TRABAJO PARA LA SUSPENSIÓN TEMPORAL DE CLASES 1º SEMANA DEL COVI 19

Study the vocabulary and grammar from unit number 5, which was studied in the previous term and do again the exercises done in class in page **REVIEW** from the students' book and from the workbook in such unit, checking the answers with the work done in class with me . It is very important for you to have a look of this because we are going to start a new unit with new grammar points and you must take into account the previous structures.

Es importante este repaso ya que esta semana arrancamos con el tema 6 y necesito que tengáis muy claras sobre todo las estructuras gramaticales que hemos visto con anterioridad ya que vamos a empezar a ver cosas nuevas.

El trabajo debe ser entregado entre el lunes 23 y martes 24 de la semana que viene.
